WELCOME TO ECCO

Pizza Obsession: To say we're obsessed with pizza might be an understatement. We simply love pizza – true Neapolitan pizza – otherwise known as Vera Pizza Napletana. The truth of the matter is, the only other place you can taste such an authentic Pizza Napletana is Naples (Napoli) itself. Ecco is one of the only restaurants outside Napoli to give this much care to our pizzas. We only use Caputo 00 flour, Sicilian sea salt and imported San Marzano tomatoes from Italy. The extra-virgin olive is 100% southern Italian grown, picked, pressed, and packed. The fior di latte (that's fresh mozzarella) arrives to the restaurant daily. We use a wood-fired oven in baking our pizzas. Our pizzaioli (pizza baker) bakes our pies at 800° in under two minutes, a skill that takes years to master.
