## **ECCO FUNCTION INFORMATION**

Ecco is conceived as an Italian dining bar: a blend of Naples ristorante and a local neighborhood pizzeria or bar, where suits blend seamlessly with locals and artisans. Earthy décor and warm colors come together with soft lighting and a subtle sound system to create Ecco's casual but lively atmosphere.

As in Italy, when one has a drink at the bar, one is tempted all the time as freshly made canapés emerge from the kitchen on candlelit trays, a compliment of the chef to show his gratitude to patrons.

Ecco serves light contemporary Italian cuisine; the menu includes simple salads and Neapolitan pizzas, home-made pasta and risotto, and the finest fish and meat. The mood is laid-back and welcoming, as it should be in one's favorite "hangout" destination. The cozy bar and dining area is also a magnet for late night champagne and cocktail drinkers looking for a hip restaurant destination playing the latest lounge music. Ecco will serve brunch, lunch and dinner, as well as a late afternoon intermezzo.
